

WE ARE SO EXCITED FOR THE 2024/2025 BAND SEASON!

DUE : JUNE 4TH

Welcome to the Band Boosters, we are a collection of loud and proud parents that want to make our kids' experience in these short years of Highschool memorable and give them as much as they can possibly get from the band. Good news for you is you are already a part of the Boosters! During the season we will be asking for a lot of volunteers between the concession stand on those Friday nights or with the exciting Band Competitions. Listed below are breakdowns of each volunteer job.

We ask that each student's family select at least THREE dates you can volunteer. Once we get all the forms back we will post a sheet with everyone's date and job they selected onto the bands website (www.cherokeeband.org). In case you need to look back on it as well. If you can sign up for more than two dates that would be amazing!
